PRODUCT OVERVIEW

The NETGEAR N300 Wireless Router is ideal for both professional and personal Internet use, providing Wireless-N speed for simultaneous downloads, voice and music, and online gaming. Reliable and secure, it comes with a NETGEAR Lifetime Warranty‡ and free Parental Controls to ensure a safe Internet experience.

- **Faster downloads and online gaming** — Provides Wireless-N speed for simultaneous downloads, streaming voice and music and online gaming, in addition to basic Internet applications
- **Lifetime Warranty‡** — Hardware warranty for as long as the original buyer owns the product
- **Live Parental Controls** — Keeps your Internet experience safe
  - Blocks unsafe Internet content and applications and can be managed from anywhere
  - Protects connected devices through the router such as PCs, gaming consoles, and iPod touch®
  - To learn more visit www.netgear.com/lpc
- **Guest network access** — Provides separate security and access restrictions for guests using the network
- **Wireless repeater mode** — Configurable as a wireless repeater for extending range
- **Broadband usage meter** — Monitors Internet traffic and sends customized reports to help keep costs under control
- **Jitter-free voice and gaming** — Automatic Quality of Service (QoS) for reliable Internet connections
- **Easy setup** — Smart Wizard® CD with graphical installation guide and multi-language support
- **Secured connection** — Push 'N' Connect ensures a quick and secure network connection
- **NETGEAR Green features** — Power and Wi-Fi on/off buttons, Energy Star-compliant power adapter and 80% recycled packaging
